Everyday & Happy Monday Cafe.

In 2024, we partnered with Everyday, a church and community, to transform a former LA Fitness in Roseville into a dynamic, mixed-use space centered around a state-of-the-art sanctuary. Located in the heart of the building, the sanctuary accommodates over 1,000 members, featuring cutting-edge audio, visual, acoustic, and lighting systems designed in collaboration with Octane. Surrounding the sanctuary, a childcare center (Honor House Academy) benefits from natural light through existing windows, while the retained gymnasium provides space for play and community outreach. The former pool area was converted into a coffee shop, operated by Happy Monday, with glass walls and a garage door that opens to the parking lot. Additional features include smaller prayer rooms, Everyday's business offices, and a coworking suite for members. This thoughtful renovation fosters worship, connection, and community engagement.
