Garrison Landing.

Wayzata is one of the rare places where you can experience small-town charm without venturing too far off the beaten path. Nestled just one block from Lake Minnetonka and across from the historic Wayzata Post Office, Tanek collaborated with Charlie & Co. to design Garrison Landing—a boutique condominium featuring only ten exclusive residences.

Steps away from the vibrant dining and shopping options of Lake Street, this thoughtfully designed development offers a perfect blend of elegance and convenience. While its proximity to urban amenities makes it easily accessible, the setting retains its serene and sophisticated small-town appeal.
