# Agra Culture.

Saint Paul residents can now enjoy the convenience of Agra Culture without crossing the Mississippi River, as the local culinary scene expands with this exciting addition. Agra Culture, known for offering the finest in Midwest cuisine, serves delicious, locally-grown, and organic food. But it's more than just a farmers market—it's a fast-casual dining experience crafted by a talented group of chefs in a kitchen and restaurant designed by us, all in support of a food revolution.
